Miscellaneous: Googling, Prompt Engineering (Gen AI), Strategic Planning, Team Management, Collaboration

Work Experience

Web Development Intern, [CodSoft Pvt Ltd](#)

June, 2024 - Present

- Designed and implemented interactive and responsive web applications using HTML, CSS, and JavaScript.
- Collaborated with senior developers to enhance the functionality and user experience of existing applications.

Projects

Secure Vault - Password Manager ([project link](#))

HTML, CSS, Javascript

- Developed a secure password manager with encryption, allowing users to generate, store, and retrieve strong passwords easily. Features include password strength assessment and automatic form filling.

BudgetWise - A financial planner ([project link](#))

- **User-friendly Interface & Expense Management:** Intuitive design, easy navigation, categorize and monitor spending, set budget goals, and display amounts in rupees.
- **Advanced Tools & Insights:** Notifications for bills and reminders, integrated chatbot support, bill splitter for shared expenses, and graphical insights into spending habits.

Slack Bots for Enhanced Task Management and Communication

- The first bot is a Slack notification bot linked with Trello, which sends Trello card updates to a Slack channel for efficient task mapping. ([project link](#))
- The second bot is a Slack response bot designed to automate responses and streamline team interactions. These bots leverage Slack's API and webhooks to enhance productivity and collaboration within the team. ([project link](#))

Achievements

- Selected for **HPAIR ACONF 2024**, recognizing outstanding leadership and contribution to international relations and global issues.

Co-Curricular Activities

- **Project Lead, Sustainability and Technology Initiative:**
 - Led a project merging sustainability and technology, to create a digital, sustainable future.
- **Peer Programming Sessions Organizer:**
 - Established and led peer programming sessions at my college, aimed at fostering a collaborative learning.

Education

Bachelor of Technology (B.Tech.) in Computer Science and Engineering

2023 - 2027

Manav Rachna Institute of Research & Science, CGPA: **8.5 (1st year)**
